

Hello, My name is Adam. I was the first person that God created. My wife's name was Eve. We had lots of children, but Seth was our son who carried on the family line of Jesus.

My name is Noah. When everyone else had decided not to follow God, my family and I stayed true. God told me to build a large boat. We were saved for the worldwide flood. My son, Shem, carried on the family line of Jesus.

My name is Abraham. God told me that I would be the father of many nations. My wife Sarah had a baby when we were old. His name was Isaac and his son was named Jacob. They carried on the family line of Jesus.

My name is Ruth. My mother in law's name was Naomi. I traveled with her to Bethlehem where I met Boaz. We were married and had a son named, Obed. His son's name was Jesse. They carried on the family line of Jesus.

My name is David, better known as King David. I'm the same David that killed Goliath. I had several children, but two of them were Solomon and Nathan. They BOTH carried on the family line of Jesus - but in different ways!
