

God's Covenant with Abraham

Star Projector Craft: Use a push pin to poke holes into the bottom of a paper cup. Shine a flashlight into the cup and project stars on the ceiling. To watch the lesson, go to Youtube and search Kathy Hutto or visit kathyahutto.com.

STAR PROJECTOR

Shine a flashlight into the cup which has tiny holes to project stars onto the ceiling

God blessed Abraham and promised his family would be like the stars in number! One day Jesus would be born from that family and bless everyone!

Genesis 22:17-18
