

Easter Preschool Sunday School lesson

An interactive Easter Story

Jesus rode into Jerusalem on an donkey. The people were happy to see Him. They waved palm branches.

- Sway your arms back and forth.

Not everyone was happy to see Jesus. Religious leaders were angry. They didn't like Jesus and made a plan to get rid of Him.

- Show an angry face.

While Jesus was in town, He celebrated the Passover feast with his friends.

- Pretend to eat.

After He ate, Jesus did something interesting! He washed the disciples stinky feet! He did this to show He came to serve others and we should too.

- Hold nose and say "Ewww!"

Later, they went into a Garden to pray.

- Prayer hands.

Soldiers marched into the Garden. They were going to arrest Jesus.

- Stand and march in place.

Which one of the men was Jesus? One of Jesus' disciples, Judas, betrayed Him. He walked over and gave Jesus a kiss on the cheek.

- Blow a kiss.

The soldiers now knew which man was Jesus. They took Him and crucified Him on a cross. They hammered nails into his hands and feet.

- Make a fist and hammer into the palm of your other hand.

The disciples were sad. They laid Jesus' body in a tomb.

- Make a sad face.

One day went by.

- Hold up one finger.

Two days went by.

- Hold up two fingers.

On the third day...

- Hold up three fingers.

The stone in front of the tomb was rolled away and Jesus came out! Jesus is alive!

- Cheer!
