

Day 2 Missions Skit

Hi Sue!

Hi!

Do you remember what city in Saint Louis, Missouri the Byrds are missionaries?

It starts with a B...Benton...Baldwin...Bumblebee

Nice try! The neighborhood where the Bryds are missionaries is called, Baden. That's the same neighborhood where Traci grew up!

Ohhh! So she was a little girl there?

Yes. When she grew up she was happy to move away, but God told Traci and her husband to go back and help the people there.

Ohhh, I'm glad they obeyed.

Yes, me too! Yesterday we learned that Traci taught cooking classes. While the women cooked, she talked to them about Jesus.

What did we learn today that Michael and Traci did?

They started 2 new churches.

Yes! They realized that food was not the only thing the people in Baden needed. They needed a place to be taught from the Bible, fellowship, and pray together.

Ohhhh. That's what we do here at Rosemont Baptist Church.

Do you remember what the Byrds church was called?

Faith Church

You almost have it! It's Faith Community Bible Church

Let's pray and ask God to help and protect the churches the Byrds started. Let's pray more people in that area will be reached and choose to follow Jesus.
