

# JESUS SAID, GO & TELL

Sunday School Lesson

## **Create Curiosity:**

Show a map of the world (or the U.S.) Give each child a blank Post-it note and have them come up one by one and put it on the map. Pretty soon, the map will be covered! Say, Wow! Look at how much of the map is covered. In our story today, we will hear about how Jesus said we should go and tell people all over about Him.

## **Teaching Time: Matthew 28**

[After Jesus died and rose. He appeared on earth for forty days. He visited the disciples and told them to go and tell others about Him.

We can go and tell too!

We can tell everyone, Jesus loves you.

Let's practice that now. Let's all say, Jesus loves you. One, two, three... (Jesus loves you!)

## **Craft Corner:**

Cut out and decorate hearts. Write Jesus Loves You and John 3:16. Pass out to people you see at the ball field, dance, hair dresser, restaurant, etc. (Be sure to tell parents what they are for.)
