

SUNDAY SCHOOL Bible Talk

Prayer is talking to God.

Jesus taught us how to pray.

We should...

Praise God (lift hands high)

Ask God for our Needs (pretend to eat)

Forgive us when we do wrong and help us forgive others.

(prayer hands)

Help us make good choices. (thumbs up)

We love You, Amen. (make heart with hands)

One of the parts of the prayer was forgiveness.

God forgives us and we need to forgive others.

Act out: Have another leader come and grab a teddy bear from you. Look sad. The leader comes back and says, I'm sorry, and gives bear back. You say, I forgive you.

Say, Just as God forgives us, we need to forgive others.
